## Letter of Recommendation

Please answer the following questions in 2-3 sentences.

What is your impression of the applicant's ability to succeed in a graduate business program?

What is one area that the applicant excels in versus their peers?

What is one area that the applicant needs to grow or develop?

How does the applicant interact with others on a team and how do they compare to peers in team interactions?

Please give an example of how the applicant has demonstrated leadership.

Is there anything else you feel we should know?
